Dear Friend,

On behalf of my entire family, I want to first and foremost thank you for your continued support towards my father, Giorgio Mammoliti over the years.

This term of office has come with unprecedented challenges for the administration to deal with. These challenges have been driven by a group of individuals whose political agenda is to distract the administration from the path we all believe so strongly in, and the path we elected our officials to pursue on behalf of us, the City of Toronto.

In this term of office, the Ford administration has worked tirelessly to bring respect to the taxpayers by reducing taxes, reducing the size of government and implementing strategies that will take Toronto into the future that we all believe Toronto can and should be.

My father's continued dedication to the Mayor and the Administration has also come at a price, making him and our family the subject of political and personal attacks on numerous occasions. These unfounded, unjust attacks have taken their toll on him financially and my family on a personal level as well as creating unnecessary distractions for his office staff to deal with.

I am seeking your support for my father so he can continue to fight the good fight at Toronto City Hall and not be held back by the financial burdens these attacks have brought on.

It is my hope that you can join my father, Giorgio Mammoliti, along with my family and I on May 22nd, 2013 for a night of good food, good company and entertainment presented by Red Velvet Events at The Royalton Banquet & Conference Center. Cheques are made payable to Red Velvet Events Inc., \$5,000 per table of 10. Payment can be personal or business cheque.

Rest assured any contributions made will not be in any way a conflict. We have obtained legal council and opinion to help guide my father through this fund raising process and eliminate any possible conflicts or code of conduct issues.

My family has worked closely with my father's staff in this term of office; to ensure proper policy is followed please RSVP to Melissa Palladino by May 6th at 416-315-5868; as well, please feel free to contact Melissa with any questions you may have.

Enclosed you will find a self addressed, stamped envelope for your ease. Melissa will contact you to make arrangements for issuing your tickets.

Your time, attention, support and contribution is appreciated by my family and I. We look forward to seeing you at the event.

Sincerely,

Michael Mammoliti,
on behalf of the Mammoliti family
